OPEN LETTER TO BROOKFIELDS

I refer to your email letter dated 25 April 2011 which was addressed to all Brookfields' partners. I am responding as the Chairman of Brookfields' Board.

As far as Brookfields is concerned, the litigation is now at an end. Brookfields no longer acts for any of the parties which were the subject of the litigation. We therefore have no authority from our former clients to meet with you and we do not intend to do so.

I am also aware that you have made a complaint against Mr Neutze. That complaint has been addressed by Mr Neutze and is refuted on all grounds. We consider that complaint to be wholly unmeritorious and we have no interest in discussing it with you.

Kindly refrain from forwarding any further communications to Brookfields, as this matter is closed from our perspective. Any future communications from you will be ignored.

Yours faithfully
BROOKFIELDS
