Users are advised that the following activities are strictly forbidden.

Using multiple WHOIS queries, or using the output of multiple WHOIS queries in conjunction with any other facility or service, to enable or effect a download of part or all of the .nz Register.

Using any information contained in the WHOIS query output to attempt a targeted contact campaign with any person, or any organisation, using any medium.

A breach of these conditions will be treated as a breach of the .nz Policies and Procedures. Sanctions in line with those specified in the policies and procedures at www.dnc.org.nz may result from any breach.
