January 2007 – Present (4 years 9 months)

Director of Fix Me Naturally.

We are against putting nasty ingredients or parabens in any products we manufacture. We use natural ingredients sourced in New Zealand. The branding is key to our success, and the team including Daryl Parsons have this covered. We have recently had 5 billboards in central Auckland erected and they have given us tremendous publicity. Launching into Australia and Uk shortly.

I am looking for distributors into Pharmacy, Manual therapists and independent Physio's, pharmacists and high end gyms.
