Evidence 1. To Doug McKay

My email dated 15 February 2013 as below

This is an email from Wendy Brandon

She falsely states "Such diversion is entirely legitimate and simply a practical measure to ensure that your correspondence is managed appropriately. "

she makes a blanket refusal to any further Lgoima requests

She admits to instructing and controlling those who operate the computer system "I have instructed IS to release emails from you to all addressees unless or until I am requested otherwise by any of them."

Yours sincerely

Dear Ms Haden

I refer to your email below. You are of course free to complain to all and sundry regarding the diversion of your email correspondence to a single point of contact within Auckland Council. Such diversion is entirely legitimate and simply a practical measure to ensure that your correspondence is managed appropriately.

I repeat my earlier advice that in my view, your carrying on your campaign in relation to AWINZ and its trustees by way of further and repeated correspondence to Auckland Council, is in breach of the orders made by the District Court, and therefore a contempt of court, and vexatious.

I also confirm that all of the information, records, reports, correspondence and material that is the subject of your ongoing requests has been provided to you by Auckland Council and its predecessor local authority, Waitakere City Council, or it cannot be located, or it does not exist. No further correspondence will be entered into with you, and all correspondence will simply be retained in council's records. Similarly, you may treat any LGOIMA requests as 'deemed refusals' and make a complaint to the Ombudsman.

However, given that I equally have better things to do than to carry on any further correspondence in relation to the diversion of your emails to a single point of contact within council, I have instructed IS to release emails from you to all addressees unless or until I am requested otherwise by any of them.

Yours sincerely

I will also be approaching the law society and have brought it to the attention of the ombudsmen

I do want this matter placed before the mayor as it shows a serious conflict of interest by counsel for council.

Doug Please arrange for speaking rights at the next appropriate meeting of council so

that I bring this matter up.
