The Veteran Care Specialists

The Ranfurlly Veterans Home & Hospital specialises in caring for the needs of service veterans - whether from the armed services or civilian service sectors.

Occupying a large and beautifully landscaped site on the corner of Mt Albert and Mt Eden Roads in Auckland, the Ranfurlly complex features an 82 bed rest home, 35 bed hospital and 24 bed Stage III secure unit for Alzheimers and age-related dementia patients.

Administered by the Ranfurlly Trust, it is the centre of veteran care in the Auckland region (Northland to Taupo).

Caring for those who served
