Hi guys

We are now thinking of going to the New Zealand Indonesia Association (NZIA) BBQ together. We can bring along the food and our language material and sit under a tree somewhere. There will be lots of Indonesians around to correct us, too. what do you all think?

We may as well still meet up at my place at 6 Telford Tce, Oriental Bay beforehand, because it is central. My number is 0220445287 if you get lost.

Will

Hi all

The first meeting of BISA Wellington will be towards the end of February.

I am busy getting together language learning materials to send out to attendees prior to the first meeting. The theme will be "Getting Around", and will focus on the practicalities of taking a taxi, asking for directions, and so forth.

Maybe some of you who speak a bit of bahasa indonesia already can start thinking about preparing a little speech about where you have been in Indonesia and how you got around there for the benefit of other members?

Stay tuned for more details!
