Mr Malcolm North

WELLINGTON

Dear Sir,

R.E: JOZSEF SZEKELY / MUSE ON ALLEN LTD

We act for Mr Szeleky in relation to Shareholding and the Directorship on Muse on Allen Ltd. Our client instructs that when the Company was formed for the purpose of operating a restaurant business his monetary contribution was the amount of \$65,000.00. At the outset it was agreed on the basis of that investment that Mr Szeleky would hold 63.2 percent of the shares in that company and he was also appointed a Director of the company.

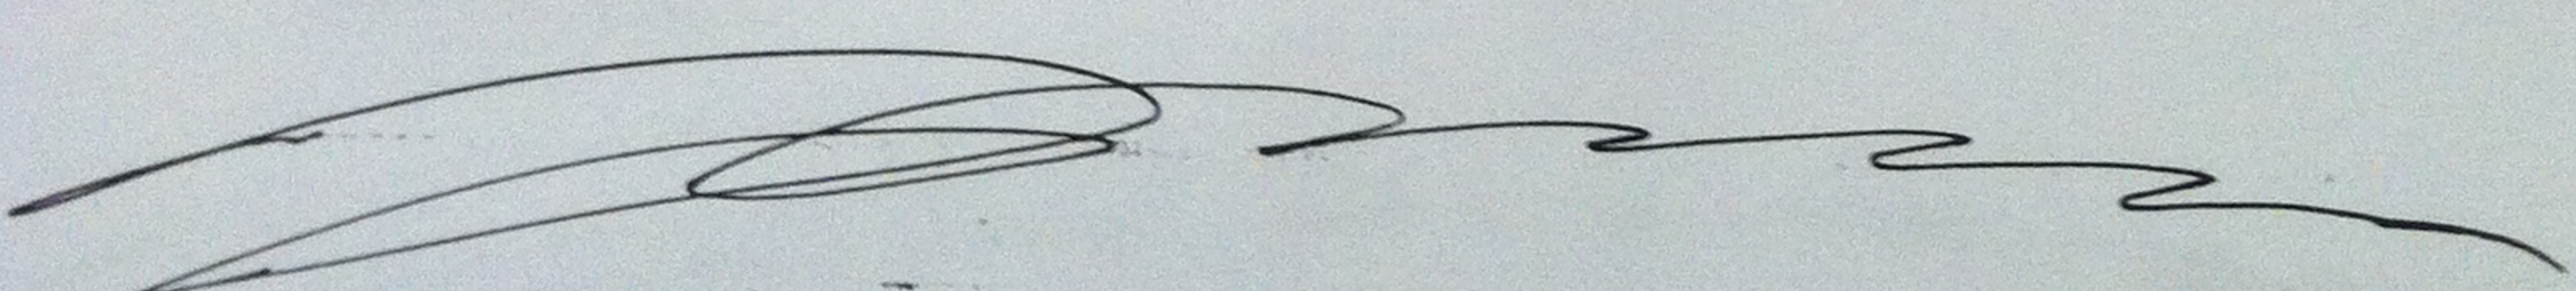

We understand that without our client's consent, in the absence of any Company meeting, or resolution or agreement that the Company records at the Companys office have been altered to extinguish our client's shareholding and to remove him as a Director.

In the absence of any explanation such unilateral action in our view appears to be extremely fraudulent and certainly in breach of the Companys Legislation and regulatory requirements. The matter is susceptible to complaint to several enforcement entities. We are reluctant to engage in such an exercise without giving you the opportunity to explain and discuss the matter.

Our client urgently requires and preferably within 24 hours a meeting with yourself, and other shareholders, your Solicitor and preferably the Company Accountant. The writer will also attend.

We suggest that you seek urgent legal advice in respect of this matter and have your Solicitors Legal Advisors or Accountants to contact us urgently.

Yours faithfully
