Business for Sale Summary

Restaurant & Bar-Too good opportunity to miss

This newly renovated restaurant/bar with an excellent interior and atmosphere is located in the busiest entertainment district in the Wellington CBD. It has a fully equipped kitchen with utensils and can host around 100 guests.

The current owner has successfully run the business for over 3 years in the premises. The business is relocating, so the owner wants to quickly sell the fit-out and chattels with a secure lease - An excellent opportunity to develop your own atmosphere and menu.

This location will be very attractive to an experienced restaurant operator. Call me now to grab it ASAP.
