

As discussed with Ron the Park is available to hire at rate of \$20 per hour. Also Hall at same rate depending if not already booked. Only general rule is that both Park and Hall are left in a clean and tidy condition. Generally NO vehicles are permitted on the Park. If and when hiring both facilities we do allow some things to be erected. Need to inquire at the time of hire. You can contact Ron for dates and time required. Ron,s cell is 0273509889
